P R O C L A M A T I O N

Education implies not so much the communication of knowledge as the discipline of the intellect, the establishment of the principles and the regulation of the heart. Instruction is that part of education which furnishes the mind with knowledge.

Ours is a race of free men, with God-given rights, and with a government erected to maintain and preserve them. Its support and perpetuity rests with the reasoning intelligence of the citizens. The degree of intelligence depends upon the standard of our school system and our schools. Peace, the hope of all people, can be maintained if we approach the problems of life through the processes of reason, the foundation of which is education.

NOW, THEREFORE, I, Harlan J. Bushfield, Governor of the State of South Dakota, do hereby set aside and proclaim November 5-11, 1939, as American Education Week and urge that each citizen of South Dakota give serious thought to the function of education and his earnest efforts to placing the best opportunities of self-development and realization within the reach of all.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of South Dakota to be hereto affixed.

DONE AT THE CAPITOL, in the City of Pierre, this 4th day of October, 1939.

Harlan J. Bushfield

Governor
